“Dunblaine has provided our child with an opportunity to learn, grow and mature in an environment that is encouraging, challenging and supportive. After four years, we are more than pleased to say that she has come to understand her challenges, yet continues to be very motivated and interested in her learning, strives to do her best and has developed long lasting friendships. As parents, this is as much as we could ever hope for.” - *James and Dolores Anderson, parents*

“The Dunblaine School continues to provide a consistently excellent, well-rounded experience for children with learning differences. Great teaching, genuine concern for students, truly individualized programming, and a supportive atmosphere of friendship and fun make Dunblaine a truly unique school”
- *Dr. Leslie Cohen, Psychologist (Ph.D., BCBA-D, Director, L&A Educational Services)*
